To

The Secretary to the Government
of His Highness the Maharaja of Mysore,
Development Department,
BANGALORE.

With reference to your letter No.A.F.2230/P & S.32-41-4, dated the 10th November 1941, in connection with the date from which the revised rates for the publication in the Mysore Gazette of matter received from paying departments and Local Bodies and supply of spare copies of the same, sanctioned in G.O.No.A.F.7188-273/P & S.5-40-59, dated the 12th April 1941, have to be given effect to, I have the honour to state that the proposal for the revision of rates was first submitted to Government in my letter No.G.140 dated the 17th July 1940. Under the expectation that the rates are likely to be sanctioned early, in view of the reasons detailed therein and can be given effect to immediately, bills from 1st July 1940 were not prepared and sent to the Paying Departments and Local Bodies. This fact was also referred to in the penultimate para of my letter No.G.870 dated the 11th March 1941, with the idea of bringing to the notice of Government the intention to apply the revised rates from 1st July 1940. As the proposals put forward in the latter references were sanctioned by Government, it was assumed that they also approved of the suggestion of giving effect to the same from 1st July 1940 and that the non-mention of the date was an omission. Therefore, Bills from 1st July 1940 were prepared and sent applying the revised rates, with a view to clear the arrears of this work. Some of these bills have also been adjusted by the concerned departments. With the idea of getting the omission in the Government Order supplied, approval of Government were solicited in letter No.53 dated the 9th August 1941. But it has now been intimated in yonr letter No.A.F.

No.A.F.2230/ P & S.32-41-4, dated the 10th November 1941, that it is the intention of Government that the rates have to be brought into force from 1st July 1941 and not from 1st July 1940. As the bills from 1st July 1940 have been prepared and sent already on the basis of the revised rates, under the circumstances explained above and some of them already adjusted and as the application of the former rates from 1st July 1940 to 30th June 1941 will involve very heavy work owing to the re-valuation of the Notifications and the preparation of bills for a second time for one and the same Notification, and is also likely to give rise to a large volume of correspondence with the Local Bodies about the two bills sent for a single Notification, I request sanction of Government as a special case to give effect to the revised rates from 1st July 1940, taking into account the difficulties involved in giving effect to the previous rates from 1st July 1940 to 30th June 1941.

I have the honour to be,

Sir,

Your most obedient servant,

SUPERINTENDENT. 24/11/41
